

An illustration of a brown rabbit with long ears, shown in profile from the chest up. The rabbit is holding a blue and white floral teacup in its right hand and a matching saucer in its left hand. The rabbit's fur has a cracked, textured appearance. The background is a dark teal color with a subtle, repeating pattern of small, light-colored flowers. Several larger, white flowers with yellow centers are scattered throughout the scene, along with a single bumblebee flying in the upper right quadrant.
